Honor the language and spirit of the law of every nation and undertake open and fair corporate activities to be a good corporate citizen of the world.

Respect the culture and customs of every nation and contribute to economic and social development through corporate activities in the communities.

Dedicate ourselves to providing clean and safe products and enhancing the quality of life everywhere through all our activities.

Create and develop advanced technologies and provide outstanding products and services that fulfill the needs of customers worldwide.

Foster a corporate culture that enhances individual creativity and teamwork value, while honoring mutual trust and respect between labor and management.

Pursue growth in harmony with the global community through innovative management.

Work with business partners in research and creation to achieve stable, long-term growth and mutual benefits, while keeping ourselves open to new partnerships.
